

## Small Business Administration - FY 17 Advanced Acquisition Strategies

**FY2017 Proposed New Acquisitions:** This is posted as general information regarding potential new opportunities that may occur during FY2017. The SBA Acquisition Division will not be releasing any additional information pertaining to these efforts until such time as they are formally advertised. SBA posts all actions on approved Government-wide Points of Entry. Although there are anticipated need dates provided with this information this list does not constitute a commitment by the Agency to acquire any of these goods or services at any time during this or any following fiscal year.
